

The Guernsey Kennel Club Members' Show.

Sunday 22nd February 2009.

Thanks to the Officers and Committee of this well organized show, my wife and I had a wonderful time and can't praise the hospitality enough. Overall I found the dogs in my groups very sound and to type. There was a quantity of top quality puppies on show which bodes well for the future of shows dogs on the Island. Thanks to the exhibitors, it's a show that I really enjoyed judging.
